--The MAILING DATE of this communication appears on the cover sheet with the carrespondence address--

The Appeal Brief filed on <u>10 May 2002</u> is defective for failure to comply with one or more provisions of 37 CFR 1.192(c). See MPEP § 1206.

To avoid dismissal of the appeal, applicant must file IN TRIPLICATE a complete new brief in compliance with 37 CFR 1.192 (c) within the longest of any of the following three TIME PERIODS: (1) ONE MONTH or THIRTY DAYS from the mailing date of this Notification, whichever is longer; (2) TWO MONTHS from the date of the notice of appeal; or (3) within the period for reply to the action from which this appeal was taken. EXTENTIONS OF THESE TIME PERIODS MAY BE GRANTED UNDER 37 CFR 1.136.

1. [The brief does not contain the items required under 37 CFR 1.192(c), or the items are not under the proper heading or in the proper order.
2. [The brief does not contain a statement of the status of all claims, pending or cancelled, or does not identify the appealed claims (37 CFR 1.192(c)(3)).
3. [At least one amendment has been filed subsequent to the final rejection, and the brief does not contain a statement of the status of each such amendment (37 CFR 1.192(c)(4)).
4. [The brief does not contain a concise explanation of the claimed invention, referring to the specification by page and line number and to the drawing, if any, by reference characters (37 CFR 1.192(c)(5)).
5. 🗀	The brief does not contain a concise statement of the issues presented for review (37 CFR 1.192(c)(6)).
6. 🗵	A single ground of rejection has been applied to two or more claims in this application, and
(a	the brief omits the statement required by 37 CFR 1.192(c)(7) that one or more claims do not stand or fall together, yet presents arguments in support thereof in the argument section of the brief.
(b	the brief includes the statement required by 37 CFR 1.192(c) (7) that one or more claims do not stand or fall together, yet does not present arguments in support thereof in the argument section of the brief.
7. 🗀	The brief does not present an argument under a separate heading for each issue on appeal (37 CFR 1.192(c)(8)).
8. 🗀	The brief does not contain a correct copy of the appealed claims as an appendix thereto (37 CFR 1.192(c)(9)).
9. 🗵	Other (including any explanation in support of the above items):

First, it is unclear how claim 13 can be grouped with claim 12 and claims 14 and 15 simulaneously since both claims 12 and 13 depend from claim 1 and do not include substantially similar claim language. Additionally, claim 16 has not been included in any of the groups. Finally, the applicant has stated that claims 13-15 stand or fall together in the grouping of the claims and yet argues the patentability of claims 14 and 15 separately from claim 13 in contradiction to the grouping of the claims.
